HANIF CARROLL

FULL-STACK ENGINEER FOR NONTECHNICAL FOUNDERS WHO NEED A REAL MVP FAST.

I help founders go from idea to live product in 4 weeks. Scope, UX, full-stack development, deployment, and launch support — handled directly by me.

8+ YEARS BUILDING PRODUCTS

REACT / NEXT.JS / NODE / TYPESCRIPT / AI

FOCUSED MVP LAUNCHES START AT $7,500

WHO I HELP

- Nontechnical founders who need a technical partner they can trust
- Early-stage teams validating a new product or internal tool

- Operators who want direct access to the builder, not agency layers
- Founders who need clarity, speed, and plain-English communication

WHAT I DELIVER

- MVP scoping sprint to cut scope to what matters
- UX and product thinking for a clean v1 experience
- Full-stack build from frontend to backend
- Deployment, launch support, and 30-day bug coverage

THE 4-WEEK LAUNCH

FROM IDEA TO LIVE MVP IN 4 WEEKS.

WEEK 1

Scoping sprint, roadmap, and product decisions.

WEEK 2

Core build starts with visible momentum.

WEEK 3

Refinement, polish, integrations, and founder feedback.

WEEK 4

Launch, deployment, handoff, and bug shield.

RELEVANT WORK

Genrupt
